

WLDA
Statement of Equal Opportunities Policy

We, the above named organisation oppose discrimination on the grounds of ethnicity, national origin, religion, disability, marital status, gender, sexual orientation, income or circumstances, language, HIV or other health related issues and all forms of direct or indirect discrimination that restricts or hinders the promotion of equal opportunities. We are committed to striving towards equal opportunities in all aspects of our activity and aim to comply with the ethos and spirit of equal opportunities principles and legislation.
